

March 19, 2016 - SBC Minutes

The meeting started at 10:30 AM at the Pegasus Breakfast Restaurant in Castle Rock. Important elements include:

1. Cindy and Frank sold their Shelby GT500. They were going to be the hosts for the Burlington Ghost Town Tour. Rick was concerned about how to strap fuel to the back of his Shelby so he could make it Burlington. If there are any new hosts, we would welcome them. As an alternative, we tossed around the idea that we join forces with the Mustang Club for their evening meeting / round up at the Castle Rock Dairy Queen.
2. Gretchen shared the idea of attending the Vehicle Vault Cars N Coffee on the second Saturday of each month from 9 AM to 12 PM. It was mentioned that to get a decent parking spot participants must show up no later than 8:30 AM, because the spots close to the Vehicle Vault fill up quickly and that it is no fun to park a block away.
3. Breakfast at the Ridge in Castle Pines is being planned by Taneha' for the third Saturday this month April. It was concluded that we would wait for better / more stable weather to take the 2016 Group Shelby Photo, instead of having the Ridge meeting as a possible photo shoot. June 25th was confirmed as the best date for a 9:30 AM photo shoot. We also wanted to leave our options open for photographers. Three possible photographers were suggested.
4. Meeting concluded at 11:15 AM.
